The screenshot displays the IBM Cognos Analytics web application interface. At the top, a blue header bar contains the text "IBM Cognos Analytics with Watson" on the left, a search bar with the placeholder "Search content" in the center, and user profile, notification, and help icons on the right. Below the header, a dark blue banner shows a progress bar for the file "Analyzing Inventory Management Dataset.csv". A white button labeled "Cancel Details" is positioned to the right of the progress bar. The main content area features a "Quick launch" section with four interactive tiles: "Upload data" (with an upload icon and description), "Prepare data" (with a data module icon and description), "Exploration" (with a magnifying glass icon and description), and "Present data" (with a dashboard icon and description). Below this, a "Get started" section is visible, with tabs for "Get started" and "Recent". The "Get started" tab is active, showing the heading "Get up and running in IBM Cognos Analytics". At the bottom, there are three links: "How-to videos" (Learn how to use IBM Cognos Analytics), "Accelerator Catalog" (Browse a growing catalog of industry use), and "Learning resources" (Expand your knowledge and get).
